## reach out to Long Island's nonprofit community

**fundraising forum** is a new twist on the nonprofit conference, designed for busy fundraising professionals and nonprofit leaders: a place where attendees **connect** to the world of philanthropy on Long Island, **engage** at educational workshops and with vendors, and **exchange** ideas with their peers.

Sponsors and exhibitors will gain invaluable marketing exposure while networking with important industry leaders and decision-makers. Don't miss out on this exclusive opportunity to meet potential new clients and show your support for those organizations that currently use your services.

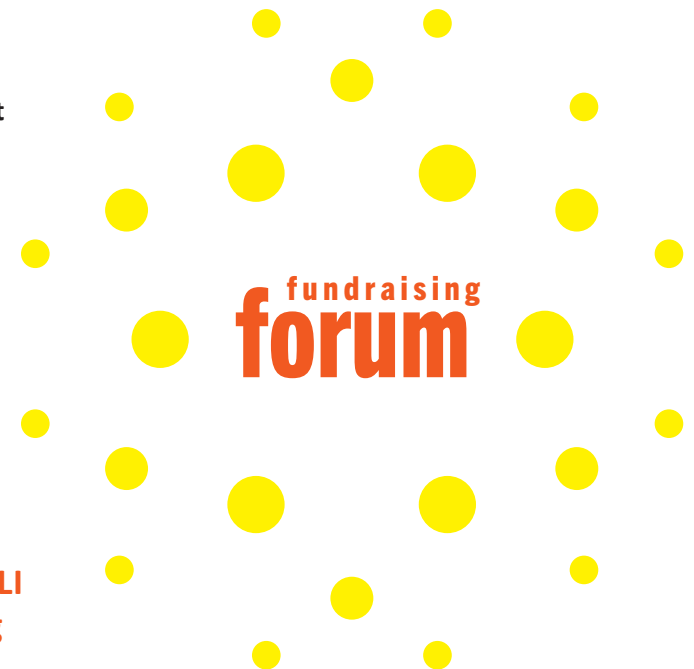

Our exhibit space, **sourcemarket** is designed to enhance the sponsor/exhibitor experience. Located directly outside of the educational session rooms for maximum visibility, exhibit booths will be visited at breakfast, during the session breaks and during the post-event networking session.

There are many other benefits to sponsorship. Please see the next page for more information.
